

**The Pony Boy All-Star Big Band** is a conglomeration of the best professional jazz musicians in the Seattle area. Led by drummer and arranger Greg Williamson, this collection of musicians is truly All-Star. The 17 members have played with The Glenn Miller Orchestra, Woody Herman's Herd, Harry James Orchestra, Count Basie, Natalie Cole, Jimmy Dorsey Orchestra, Diana Krall, Steve Allen, Ernestine Anderson... from New York to LA to around the world, the list goes on and on. They have pulled together an amazing library of arrangements dating back to the original swing hits of the 40's - all the way up to today's large jazz ensemble orchestrations. As well as being an arranger

himself, Greg has led groups of all sizes. The members have been on many recordings, including Pony Boy Records, which serves as the moniker for this large swinging unit. Recently the group played *Benaroya Hall*, the *Fred Hutch Cocktail Hour Auction*, and was featured at the *Anacortes Jazz Festival*.

This band can set the scene for a black tie affair, with smooth swinging sounds and the classic sharp big band look! And of course they play the modern big sounds with flair and energy...

*"Thanks for such great entertainment!"*

*-S. Sullivan, Special Events Mgr,  
Fred Hutch Foundation*

*"I just had to call and tell you how wonderful you are. It was such an honor to work with you last weekend... your big band was amazing, Gerard and Jody were absolutely thrilled."*
